## BACS Bureau!!

That means we can provide a fast secure and easy way to pay employees, subcontractors and HMRC through our

existing Payroll software.

Eliminating the need to create bank files and the manual workload connected to making payments.

### Here are some of the Benefits:

#### 1. Save time and maximise efficiency:

Remove manual processes and the risk of insecure file transfers. There's no more need for manual exports or file uploads to banks.

#### 2. Eliminate costly payroll errors:

Stops the risk of making mistakes, ensuring you pay the right amount on time, every time without double and triple checking the payment file.

#### 3. Real-time and 24/7 payments:

Get ultimate convenience with real-time and 24/7 payments, giving you the flexibility to schedule payments in advance or make last minute changes.

#### 4. Secure and compliant network:

Get peace of mind with secure, encrypted communication between parties, with easy to manage approval flows.

## BENEFITS IN KIND

To reduce the cost of producing P11D's every year you can add some Benefits in Kind to your regular Payroll.

Such as Private Medical & Gym membership

If you want to add taxable benefits to your payroll so that tax is taken automatically the deadline to register with HMRC

is **before the end of March 2022.**

By adding Benefits in Kind to your Payroll you will no longer have to produce P11D's and employees won't have to change their tax codes.

If you would like to change how you pay Benefits in Kind, we can organise a one-off registration with HMRC on your behalf.
