

JLP NEWSLETTER

Tax Time is looming are you ready?

Do you need to make some changes?

Benefits in Kind

This is the time to consider adding Benefits in Kind to your Payroll (before the end of March). Pay a one-off fee to transfer benefits to payroll and PIIID's become a thing of the past.

Minimum Wage

We will make all the necessary adjustments to payroll to make sure Minimum Wage requirements are met. Please check to make sure we have all relevant information up to date!!

If you need help preparing for the end of the Tax Year, or you have any questions, we're here for you!

Does your business have different Departments??

YES

Did you know we can update our software to allow us to prepare individual financial reports for each department, making it easier for you to budget and identify costings for each part of your business.
